

Thornbirds Conference Centre CC & Miss Grace Country Food House will be activating a forced business shutdown as of Thursday, 26 March 2020. This decision has been made after President Cyril Ramaphosa's announcement on 23 March 2020 that the entire country is to go into full lockdown.

The massive decline in business and enquiries during the recent weeks has had a massive impact on all sectors, especially the hospitality industry. As a venue, we have postponed all March and April events and will only be able to re-evaluate the way forward after the end of the nationwide lockdown.

Our primary and only concern at this stage is the safety of our staff, customers, fellow human beings and the curbing of the spread of the COVID-19 virus.

Enquiries are still welcome and will be attended to via email.

We would like to thank all of our customers and suppliers for being so wonderful.

Be safe; look after yourselves and one another.

Regards

Thornbirds Management
